

GOGO Music was established in 2001 by Ralf GUM to offer a platform for innovative music releases. While Ralf's heart is set on soulful deep house, stands GOGO Music for varied and intelligent music. With it's choice artists Raw Artistic Soul, Roberto De Carlo, Benny Pecoraio and SUGAR BEAT GOGO Music is one of the most looked after record labels today, while delivering it's very own definition of contemporary club music. In the weekly GOGO Music Radio Show Ralf GUM, Raw Artistic Soul & Sosue, Benny Pecoraio and few selected guests are showing off what this sound is all about...finest house music only!
