

The GOGO Music Radio-show

GOGO Music was established in 2001 by Ralf GUM to offer a platform for innovative releases. While Ralf's heart is set on soulful deep house, GOGO Music stands for varied and intelligent club music. Its choice releases made GOGO Music one of the most looked after record labels in the house scene. In the weekly GOGO Music radio-show Ralf GUM and Benny Pecoraio are presenting what this sound is all about ... finest house music only!
