PHIL KULLMANN AND HIS RAW ARTISTIC SOUL

Phil Kullmann, the mastermind behind RAW ARTISTIC SOUL, is a versatile Producer, Remixer and Live Artist. With his inventive production style and tasteful feel for different musical forms, he mixes Latin, House, Disco, Afro Beat, Funk, Dub, Reggae and Jazz into his „One Cultural Groove“.

Programming drums since he was nine years old, Phil learned to mix electronic music and programming with real played instruments. He studied drums in Duesseldorf, Germany and latinpercussion in Rotterdam, Netherlands. He also joined private lessons with world-top-percussionists like Bashiri Johnson, Luis Conte, Giovanni Hidalgo and Alfonso Valdes. Playing several instruments – percussion, drums, bass, keys – and having an enormous knowledge of traditional Afro Cuban, Brazilian and African music, he creates his own vibrant dance beat.

RAW ARTISTIC SOUL works with an international collective of musicians from all different cultures with their own musical styles and now by working together, they are able to create something completely unique and special. The vitality and energy they produce represents the best kind of musical partnership. RAW ARTISTIC SOUL - The true dance community.
